Coastal Cities Aquatics Association Registration Sheet
for Previous USA/USSA Swimmers or Divers

In order to participate in the Coastal Cities Aquatics Association (CCAA) swimming and diving program during the summer of the Year 2021, I hereby certify that I have not participated in any non-school related swimming or diving meets since December 31, 2020 (or TAAF Winter Games if participated). I certify that my practice time has been limited to 90 minutes per week between January 1, 2021 (or TAAF Winter Games if participated) and April 30, 2021. This applies to 12 and under swimmers only.

If it is determined that the above restrictions have not been followed, then I agree to be terminated from competition in the Coastal Cities Aquatics Association (CCAA) swimming and diving program, and relinquish any rights to awards and acknowledgments of swimming or diving accomplishments in the CCAA program for the said year.
